

EAST CHINNOCK STEPS UP FOR CHRISTIAN AID WEEK, AND MORE...

A big thank you to all who supported **Christian Aid Week**. This year Women's Health was prioritised, with need for Health Centres, Education and Maternity care. Our village raised £615 - a tremendous result. The **Friends of St. Mary's Tea Party** was a very well attended and enjoyable afternoon. £200 will help the fundraising for our church toilet. We are getting nearer after each event! Thank you to all who made it possible. **Pamela**

CHIMES HIGHLIGHTS:

Village Happenings and More	2
News Spot	3
What's On?	4
All about pollination, and a summer recipe	5

Hello! Well, it hasn't been the best start to a summer weather-wise, but there are some events that will cheer you up. Pop on your dancing wellies for the **Music Night**—you might even get a good shot for the 'Scene in East Chinnock' class in the **Village Show!** Later in the issue it's all about gardens, and Catherine Bond gives us some great information about pollination. If and when we finally get some sun, pour yourself a glass of the summer punch (page 5), and relax. **Julie :-)**

COME TO
THE EAST CHINNOCK

VILLAGE MUSIC NIGHT!
Saturday 6th July from 6:30pm

BERTIES BIG BAND

Family Fun!
HOG ROAST! BBQ-BAR
Dancing!

Please buy your drinks from the bar—support the village!

SEE YOU THERE!

EAST CHINNOCK GARDENING AND COUNTRYSIDE CLUB

This time of year the gardener's mantra is 'Sow, Plant, Water, Weed!'

The May Club Open evening was awash with garden-related items for members to find something 'new to you', and in the process the grand sum of £50 was raised for St Margaret's Hospice. It must be remarked upon that three members brought along their narcissus bulbs which were planted with the under-

standing that they would still be in flower in May. Jane Lock, Carol Hill and Rick Rybicki were given much praise for their achievement where the rest of us failed! The evening was helped along with plenty of cake and chatter and £21 for club funds.

CLUB EVENTS—July 27th ANNUAL VILLAGE SHOW. The schedules have been delivered! Please contribute to this traditional village event as there is something for everyone. **AUGUST:** Carymoor Nature Reserve with own transport and pub meal. **SEPTEMBER:** Brimsmore Talk & Discount shopping. Places are still available if you contact Chairman Geoff Jackson 01935 863212.

LOOKING FORWARD

The Club Committee is pleased to announce that there is a provisional calendar of speakers and possible events for next year's membership which will be confirmed and published for the start in November. Annual Membership will remain at £10 per person for 2019/20. **Bunty**

THE ROYAL BRITISH LEGION EAST AND WEST COKER BRANCH

Update on Poppy Appeal Volunteers/Organiser Plea in the last issue

Unfortunately, no one has come forward to enable the house to house collections to continue. My suggestion is to provide a collecting tin and poppies for the village coffee mornings over the Remembrance period mid-October to 11th November.

If you think you would like to volunteer for the house to house collections, please let me know. Please contact **David Holland on 01935 862782**

EAST CHINNOCK VILLAGE SHOW on SATURDAY 27TH JULY

Come to the best village show!

Handicraft Classes:

- 1) Knitted or crocheted animal
- 2) Spectacle case in any material
- 3) Baby play mat, max. 3 x 3ft
- 4) "You made it, let's see it"

Art Classes:

- 1) Sunrise or sunset
- 2) Flowers

Photography Classes:

- 1) Decay and dilapidation
- 2) A scene in East Chinnock
- 3) Wildlife

We look forward to plenty of entries! Full schedules have been distributed to all with details of how to enter.

Doug Reeve (Show Committee)

DICK SEYFRIED

Anne and family would belatedly like to thank so many for all the support and condolences received when Dick passed away so suddenly at the end of January. Particular thanks go to all those kind folk who made their driveways available for parking on that stormy day of his funeral.

“WHERE DID OUR FAVOURITE PLANTS COME FROM?”

Have you ever wondered where our plants come from?

Perhaps you think that most of them are native to us, as they are so familiar and could be seen as typically British. However, for centuries it was traditional for our explorers to bring home specimens of plants which would become popular here - literally taking root in UK soil!

Our W.I. speaker for April was Marion Dale (BA HNC) - knowledgeable and enthusiastic about all aspects of gardening, but for our benefit she concentrated on the origin of plants and told us something about herself.

From being a business consultant in London she graduated to gardening via moving to a barn-conversion in a village near Avebury and inheriting a garden needing much work. Marion attended night-school, gaining an HNC Gardening Diploma and a gold medal at the Bath & West Show while working part-time in London.

Redundancy at the end of 2007 allowed more time for horticulture, and her RHS Show Garden was featured on TV. Now living in Tintinhull, Marion has lived in South Somerset for five years, and she added to her CV "Garden History Tour Guide" at Barrington.

The Romans brought to us the plants they used for medicinal purposes. Later, during the late 1500s and early 1600s in particular, many specimens were brought back to the UK by adventurous voyagers to strange lands. In the 1700s China and Japan were visited, and later in the century the countries we now know as the Commonwealth, and the RHS was established.

In the 1800s commercial plant-hunters were taking over from the amateurs, with Robert Holford collecting around 3,000 species - and, as the steam-train began to criss-cross Britain, suppliers such as Veitch of Exeter were transporting plants all over the UK. Victorian parks and gardens proliferated, with carpet-bedding becoming popular.

The end of the "Glass Tax" enabled greenhouses to flourish, and the "English Country Garden" became established. Plants were still being discovered, and this continues today.

The evening ended with a quiz, answers including the fact that "our" weeping willow originated in China - also the kiwi-fruit, sometimes thought to be from New Zealand.. What interesting new information will appear in future talks? One can only imagine..

Roisin Gruner

The planned programme for 2019 is as follows:

- July: Treasure Hunt and supper
September: 'Lawrence's Antiques' with Andy Sagar
October: 'The Hedgehog Predicament' with Colin Varndale
November: 'The changing face of makeup' by Rebecca Brown
December: Christmas activities TBA

THE VILLAGE HALL COMMITTEE IS LOOKING FOR NEW BLOOD!

Several of the long-standing members of the Village Hall Committee feel it is time to hand over to a younger generation.

The committee looks after the operation of the hall and the internal fixtures and fittings. (The main structure is looked after by the Feoffees.) There are normally only four short meetings a year and a bit of help at the Christmas Fair. The Chairman, Secretary and Treasurer have a larger commitment but no role is very onerous. The hall is well equipped, well maintained and very financially sound.

The hall is well used by our community and is an important part of village life. So please don't rely on somebody else doing it! Could you spare the few hours a year to keep it going?

Maurice (862221) or Bruce (863209) would be happy to answer your questions.

Over the summer term, the children have explored and found out about dinosaurs. They enjoyed making 'dinosaur eggs' to crack open and reveal toy dinosaurs!

Later this term we are talking about people who help us, what the different occupations do, and who they help.

September is coming and there are places available on all session times. Please pop in to see us or give us a call and put your child's name on our waiting list.

We also run a Toddler Session for parents and carers on a Thursday morning 9:30am to 11am. This is an informal session for all, includes refreshments - a lovely opportunity to meet other parents and carers and their children.

Please contact us on 07870584270, by Facebook Messenger via our Facebook page 'East Chinnock Playgroup' (follow our posts to see what we've been up to) or call in to see us at the setting.

Rose - East Chinnock Playgroup.

Volunteers wanted for: East Chinnock Community Speed Watch. Our numbers have dropped recently and we are looking for new members.

If anyone is interested about either please let me know. I can be contacted by: email at: gsj_4@yahoo.co.uk or: telephone: 01935 863212 Geoffrey Jackson

IMPORTANT NOTE TO ALL CONTRIBUTORS

The next issue of The Chinnock Chimes will be an October/November edition as I am unable to compile the September/October issue in August this year.

Apologies for any inconvenience—after the October/November issue, the year will continue Dec/Jan, Feb/March, April/May etc.

Regards, Julie

"GIVE A LITTLE, CHANGE A LOT." HAVE YOU THOUGHT ABOUT VOLUNTEERING BUT DON'T KNOW WHERE TO START?

Have you got time to fill over the long summer holidays? Maybe you would simply enjoy being outdoors for a change of scene.

Coming into what will hopefully be another nice summer, this is a great time to think about getting involved in the many community events taking place. These are ideal opportunities if you are looking to do some volunteering but don't have much time in your week.

We also have lots of other great, more regular outdoor volunteering roles too! Whatever your motivation, contact us to find out how you could get involved in volunteering. We have lots of other general volunteering opportunities available too.

volunteer@sparksomerset.org.uk Tel 01460 202970

PARISH COUNCIL NEWS

District Councillor's Report: Cllr Paul Taylor welcomed the new District Councillor, Anthony Vaughan, who said that he would like to record his thanks to Ric Pallister whom he had replaced and who gave sterling service for the district for the last twenty years, seven of which were as leader of the council. He said he would be meeting Mr Pallister shortly for an official handover soon.

Cllr Vaughan said that he had attended the first full meeting of the new council in May where it was proposed that the District Council declare a Climate and Ecological Emergency. Members of the public attended and had the opportunity to express their views. The motion was unanimously passed which had committed the District Council to becoming Carbon Neutral, either through the reduction of carbon production or offsetting through the use of green energy production. This was an ambitious plan which also required the council to develop a clear plan on how this would be achieved by the Autumn.

The Community Speedwatch Report for April showed a decrease in the overall number of speeders (32 this month with 41 last month) but an increase in those doing over 40mph to 7 from 4. The Chief Constable would be sending letters to all of them

Music Night

Music night will take place on the playing field on Saturday 6th July, featuring Bertie's Big Band. As usual there will be food and drink available. This year we are going to have a hog roast alongside the BBQ to give a little more choice. The event will be open from 6pm the first performance will commence at 7pm, we hope that as many of you will attend as last year.

A plea from the committee though, please refrain from bringing your own alcohol as this impacts profits which go back into the pot to enable us to continue with this event and Bonfire Night. We have also been able to replace the wooden bench at the view point and added a picnic bench too!

FLY-TIPPING

There has been an outbreak of 'tyre-tipping' on the public footpaths. When out and about, please keep an eye out for any suspicious activity. If you see any, please inform Councillor Mike Bussell on 01935-864233 / mike.winnates@outlook.com, or else use the SSDC website page for reporting such activity. Do not approach anyone engaged in such activity yourself.

on Saturday 13 July 2019

RNAS Yeovilton, the spiritual home of the Royal Navy's Fleet Air Arm, will open their gates up to 40,000 visitors to enjoy the magnificent five hour flying display, meet our Armed Forces personnel and see their equipment up close.

There will also be a huge array of educational ground attractions from interactive Service displays to engineering fairs and state-of-the-art defence technology exhibitions.

Families will also be able to enjoy trade stalls, arena displays, helicopter pleasure flights, simulators and fairground rides.

For a great family day out, find tickets at: www.royalnavy.mod.uk/yeovilton-airday or call: 0330 100 3656

PROTECT YOUR POLLINATORS!

Much has been written on the importance of planting nectar plants for bees and other pollinators; however these invertebrates depend on the right habitat for all stages of their lifecycles.

Our much loved garden butterflies need specific native host plants on which to lay their eggs. Birdsfoot trefoil (*Lotus corniculatus*—see image below) commonly known as 'Eggs and Bacon' is the food plant of the Common Blue butterfly, the Green Hairstreak and a number of moth species. Being a plant of poor grassland, banks and verges, it will not tolerate high nitrogen levels of most lawns but likes poorer soil in sun. White Clover is easy to incorporate in lawns and may be viewed as a weed but is also a food plant of the Common Blue and the Clouded Yellow caterpillars.

One of the best things we can do in our gardens is to allow an area of grass to grow and flower. A native meadow grass seed mix will feed the caterpillars of Ringlet, Meadow Brown, Gatekeeper, Skipper and Speckled wood butterflies.

The value of nettles as a caterpillar food plant is well known— they are the host plant of our most colourful garden butterflies: Peacock, Comma, Small Tortoiseshell and Red Admiral. Good reasons to tolerate some untidiness! Also for wild areas and common in hedges, Garlic Mustard (*Alliaria petiolata*) is the food plant of the Orange-tip Butterfly. This plant is a prolific self-seeder, and the leaves can be eaten by us too.

Common Sorrel (*Rumex acetosa*) is the food plant of the Small Copper butterfly, a beautiful species much declined in recent years. Sorrel can be grown with meadow grass or in the vegetable patch. Ox-eye-daisy (*Leucanthemum vulgare*) and Yarrow (*Achillea millefolium*) are native wildflowers that are particularly attractive to hoverflies whose larvae will consume large quantities of aphids.

By including some native plants, and if we have the space, long grass and an earth bank for nesting bumble bees, along with plenty of flowers, our gardens will play an important role in supporting wildlife. Just remember to cover the cabbages!

SUMMER PUNCH

Ingredients

- 125ml lemon juice
- 50g caster sugar
- 250ml elderflower liqueur
- 250ml vodka
- 500ml apple juice
- 125ml sparkling water
- Ice
- Fresh summer herbs - lemon verbena, mint, basil (optional)
- Lemon slices

Method

In a bowl, mix the lemon juice and sugar until the sugar dissolves. Transfer into a large serving bowl, add other liquid ingredients, fill to the top with ice and stir gently. Serve immediately, with herbs and lemon slices, if you like.

MOJITO MOCKTAIL (NON-ALCOHOLIC)

Ingredients

- 1 tbsp sugar
- Small bunch of mint
- 3 limes, juiced
- Soda water

Method

Muddle the sugar with leaves from the mint using a pestle and mortar (or use a small bowl and the end of a rolling pin). Put a handful of crushed ice into 2 tall

glasses. Divide the lime juice between the glasses with the mint mix. Add a straw and top up with soda water. Enjoy!
