FREE FOOTPATH MAP OF EAST CHINNOCK INSIDE!

The parish of East Chinnock is fortunate in being able to boast a network of around six miles of footpaths, byways and bridleways – all legal rights of way – and some well used but others much less so and thus liable to fall into disuse and become impassable.

The last footpath map was prepared some twenty years ago by Marianne Merchant, and following a discussion with her, it was decided that in order raise awareness and to encourage greater use of the network, villagers might find an updated map useful (there is a poster-sized version in the Village Hall).

Unfortunately I cannot claim to possess any particular skills as a cartographer and so cannot offer any guarantee as to the accuracy of the map, but do I hope some will find it of assistance when exploring the hidden corners of our parish.

Mike Bussell

Hello! May is suddenly upon us and what better time to be given a free map of the great walks we have in and around our village – many thanks to Mike Bussell and the Parish Council.

The dates of the big village events of the summer are in this issue so be sure to make a note of them – they are always a lot of fun! Giant marrows next to photos of local sunsets, a crocheted penguin next to some bigger buns – it's all there at the **Village Show**, and who can resist Bertie's Big Band after last year's success at the **Music Night**? Hope to see you all there!

ST. MARGARET'S HOSPICE'S AWARD-WINNING EVENT IS BACK, BIGGER AND BETTER!

This year our fantastic supporters will be running, walking, dancing or skipping through (biodegradable) glitter, and having a foam-tastic time going through bubble stations, finfishing with a powder paint party. We've added a new venue, so more people can take part in this sparkling, popping, colourful 5k run.

- WINCANTON – SUNDAY 19 MAY
- WELLS – SUNDAY 9 JUNE
- TAUNTON – SUNDAY 7 JULY

The Glitter Run is a very popular annual event which helps us raise funds to provide vital care for patients and families across Somerset. Book now!

Poppy Appeal—Volunteers/Organiser Needed.

It has been suggested that, to enable the collection to continue each year, we split the village into four rounds with a box allocated to each area. We would need an organiser, however. Could you spare the time to organise our house-to-house collection, or volunteer to become a collector? You will be helping our service personnel, past and present, and their dependants, through difficult times. If you think you can help, please contact **David Holland on 01935 862782** Thank you.

EAST CHINNOCK VILLAGE SHOW on SATURDAY 27TH JULY

To help all the crafters, artists and photographers among you, here are the classes for your sections, so you can get out the needles, paintbrushes or cameras in good time.

Handicraft Classes:

- 1) Knitted or crocheted animal
- 2) Spectacle case in any material
- 3) Baby play mat, max. 3 x 3ft
- 4) "You made it, let's see it"

Art Classes:

- 1) Sunrise or sunset
- 2) Flowers

Photography Classes:

- 1) Decay and dilapidation
- 2) A scene in East Chinnock
- 3) Wildlife

We hope the above will provide plenty of scope and look forward to plenty of entries! Full schedules will be distributed to all with details of how to enter. **Doug Reeve (Show Committee)**

LET'S GET CREATIVE!

PAT O'DONNELL

Pam and Keir O'Donnell would like to thank all who came to Pat's funeral on 4th April. Thank you also for all the wonderful support received from everyone in the village. It has been overwhelming and a great comfort to all the family.

East Chinnock W.I. was treated to a most entertaining and informative evening on March 13th.

Vivian Wiles, a Food Technology Teacher, related how her interest in cooking began at 4 years old, culminating in her virtually taking over the household's meals at age 9. There was a certain amount of trial and error, and the occasional disaster! but the self-teaching process yielded success and Vivian became a teacher.

Being interested in how nutrition was viewed before she was born, she discovered that 3,000 calories a day was the benchmark during WW2, but we now believe that 2/3 of that is ideal. However, the wartime diet had much to recommend it, being low in sugar and saturated fats, due to rationing and little opportunity to over-eat. Meals were prepared "from scratch" and people had to be inventive.

Vivian remarked amusingly that many people in the business of nutrition advice are not their ideal weight - including herself! She mentioned categories of food - such as carbohydrates, protein, roughage (fibre) and vitamins.

We sampled a delicious "mock goose (the name is a mystery) which was similar to a hotpot. It could be made vegan if non-dairy cheese is used, pieces of which Vivian brought along for us to try. There were also eggless buns, which were very tasty. Everyone thoroughly enjoyed the time from start to finish, and we can heartily recommend that other groups issue an invitation to Vivian!

The planned programme for 2019 is as follows:

- May:** AGM
- June:** 'Friends against scams', a talk by the Nat West Bank
- July:** Treasure Hunt and supper
- September:** 'Lawrence's Antiques' with Andy Sagar
- October:** 'The Hedgehog Predicament' with Colin Varndale
- November:** 'The changing face of makeup' by Rebecca Brown
- December:** Christmas activities TBA

Thank you to everyone who supported the Band Night fundraising event in March. An amazing £320 was raised during a very musical evening. A huge thank you to everyone who supported our 'Alice in Wonderland Easter Trail'. We were very lucky to have Razzamataz performing for us and perfect weather which all combined to make a wonderful day. We raised a total of £260.

Our Spring term focused on Seasons and Weather. The children experienced hale, rain, fog, frost, wind and sunshine! They made Mother's day cards and a seed ball gift. Hopefully the seeds will germinate and provide colour throughout the summer.

We welcomed Crocodile Rocks story teller into the setting with a story and singing. The children waved palm fronds and cheered loudly during the telling of the Palm Sunday story which was shared with us during a session in the run up to Easter. The summer term is going to be busy too. Topics include People Who Help Us and Living Creatures. Lots to explore and find out about whilst having fun!

Please contact us on [07870584270](tel:07870584270), by Facebook Messenger via our Facebook page 'East Chinnock Playgroup' (follow our posts to see what we been up to) or call in to see us at the setting.

ANNUAL PARISH COUNCIL MEETING

Chairman's Report: Over the past twelve months the members of your Parish Council have once again freely given their time and energy on your behalf, to ensure the smooth running of matters within the Parish. Sadly the Parish Council accepted the resignation of Cllr Helen Early in September due to work commitments. We wish Helen all the very best for the future. Our new volunteer councillor, Cllr D Taylor, was co-opted at the November meeting.

Our thanks once again go to the Entertainments Committee who continue to organise the successful annual events in the village, rent out and erect the marquee and gazebos in their own time and for the benefit of all in the village. Last year's events were again well attended, especially the Village Music Night where Bertie's Big Band was very well received, whilst Bonfire Night also attracted a large crowd and once again both events returned very healthy profits.

As reported last year, the Parish Council decided that it was time to revamp the play area. There has been some movement regarding renewal of the lease but we're still unable to start making grant applications or plans. This remains frustrating for all concerned. The steering group headed by Cllr. Wicks is currently in a holding pattern. We still would like more members of the village to be involved in this project as once we do get going I foresee a very busy time ahead. **If anyone would like to be involved in this project please contact any member of the Parish Council.**

The Speed Indicator Device no longer appears in the village due to cuts the Highways Department. The Parish Council was approached by the Community Speed Watch Team to see if we could do something about replacing it. The intention is to get our own SID. The Parish Council will contribute £1000 towards the cost with the remainder being generated by fundraising events and donations from local businesses. In the meantime our thanks go to the Community Speed Watch who have been out in all weathers, monitoring the traffic through the village.

We continue to be grateful to Mr. R. Pallister, our District Cllr, for being most conscientious in attending our meetings and providing reports from the District Council. We are also grateful to our County Councillor, Mark Keating who is equally conscientious in attending and keeping us informed of the county-wide picture. Once again our special thanks must also go to the Parish Clerk, Maureen Randell, who keeps us all well informed and continues provide a most efficient service.

Finally thanks to all those villagers who continue to work tirelessly and on a voluntary basis for the benefit of the village: those who cut the playing field grass, maintain the footpaths, edit, produce and deliver the Chinnock Chimes, maintain the Chinnock Round Robin website, the monthly lunches, the Coffee Morning organisers, the Gardening Club, the WI to name but a few and all the other organisations and people who continue to contribute to the wellbeing of our community.

Thank you all for your continued support. Paul Taylor

PARISH COUNCIL NEWS

Music Night

Music night will take place on the playing field on Saturday 6th July, featuring Bertie's Big Band. As usual there will be food and drink available. This year we are going to have a hog roast alongside the BBQ to give a little more choice. The event will be open from 6pm the first performance will commence at 7pm, we hope that as many of you will attend as last year.

A plea from the committee though, please refrain from bringing your own alcohol as this impacts profits which go back into the pot to enable us to continue with this event and bonfire night. We have also been able to replace the wooden bench at the view point and added a picnic Bench too!

County Councillor's Report:

- Cllr Keating said that the council's finances had improved and a balanced budget for the next three years should be achievable despite it being more expensive to deliver services across a rural area than in the densely populated cities.

Council Tax Rise

The County element of the Council Tax will increase by 2.99% in April plus another 1% which will be ring-fenced for adult social care. This equates to 91p p/week increase for a Band D property.

District Councillor stands down

Cllr Rick Pallister said that this would be his last meeting as the village's District Councillor as he was standing down after twenty years. He said that most of his parish councils were apolitical and all had always been polite and he counted it as a privilege to have served them. The councillors thanked him and Cllr Taylor said that he hoped his replacement was as diligent at representing the parish's interests and dealing with the queries as he had been.

Village website

Cllr Taylor said that no-one had been found to take over the village website from Julie Jewell and he said that if anyone knew of someone who might be interested they should contact the clerk.

LOCAL BURGLARY

There has been a burglary in the village recently – some items were stolen from a garage. Please be vigilant and be sure to secure your property.

Here are some tips from the Avon and Somerset Police:

- If possible, have a security alarm fitted
- Invest in plug timers for lights and radios to give the appearance of people being at home
- Lock all windows and doors at all times—even those in unattended rooms when you're at home.
- Make sure your front and back doors are solid doors in good condition with a strong frame
- All external doors should be fitted with a five lever mortice lock. A deadlock will provide additional security. It's also advisable to have a security chain and a viewer fitted to your door.
- Patio doors should have sliding bolts.
- Fit key-operated window locks to all downstairs windows and vulnerable ones, like easily accessible upstairs windows.
- Remember to remove keys from locked windows and keep them out of sight in a safe place.
- Never leave valuables on display by windows or near doors—especially those with cat flaps.
- Don't leave ladders or tools outside, or chain them up if you have to. They could be used to break into your home.
- Record all your property on national property database www.immobilise.com to deter thieves and increase your chances of being reunited with stolen property.
- Photograph your valuables and make a note of their description.
- Report any suspicious behaviour. It is common for an offender to check out a number of properties for entry points before finding a vulnerable home.

23rd June 8am Holy Communion (Book of Common Prayer)

30th June 10am Holy Communion Pendomer (weather permitting, in open air) Benefice Service

We are changing the time of our monthly Family Service from 9.15am to 10am, as some people have said 10am is a better time for those with families or (like me!) needing to get up slowly! It will also be an All Age informal café service, with drinks and something nice to eat, and activities for all ages. So do come and join the celebration. In May we will have it in the church, but we plan to have it in the Village Hall in June.

Are you good at taking minutes? If so would you be willing to be our Parish Church Council Secretary? You don't have to be on the Parish Church council, just come to 5 meetings a year, including the annual one, take minutes, and email them round to all those on the PCC. Meetings last about 2 hours and are usually in the evenings.

Since 2016, For the 10 days between Ascension Day and Pentecost Sunday our two Archbishops have been encouraging us to pray together for God's kingdom to come, using the Lord's Prayer as a model of prayer. This movement has now become international, and there will be resources in our church for anyone who would like to join in this Global Wave of prayer.

"In praying 'Thy Kingdom Come' we all commit to playing our part in the renewal of the nations and the transformation of communities." Justin Welby, Archbishop of Canterbury. For more information go onto the website <https://www.thykingdomcome.global/>

FERNE ANIMAL SANCTUARY

Ferne is delighted to bring back our popular Sponsored Dog Walk! This year's event is being kindly supported by the team at Ham Hill Country Park. There are two routes to suit all abilities;

Shorter Walk

Our 3-mile route is suitable for all ages and abilities. Starting at the Rangers Office at Ham Hill Country Park, the shorter walk takes a gravelled path up the Northern Spur and round Ham Hill War Memorial. A popular spot the views from the monument are absolutely stunning! The rest of the walk takes place through level fields, finishing back at the Ranger's Office.

Longer Walk

Our 6-mile route is more challenging. The first 3 miles are alongside the short walk before dropping down into Witcombe Valley. This longer route takes in some steep hills, but it's absolutely worth it to see the Somerset countryside at its finest. This route also finishes back the Rangers Office – which is conveniently located next to the Prince of Wales pub!

Registration : £10 per dog advance registration or £15 on the day

Register at: <https://www.eventbrite.co.uk/e/ferne-animal-sanctuary-sponsored-dog-walk-tickets-58290603765?aff=ebdssbdtestsearch> or call the team at the Sanctuary on

WHAT IS A HERB?

In botanical English, the word 'herb' is short for herbaceous, meaning a plant with soft stems that dies back in winter. Generally though, 'herb' is used to refer to a plant which is useful to us, for flavouring, medicinal or aromatic purposes.

Many popular culinary herbs also have medicinal and aromatic uses. We can often learn about the historical use of a plant from its Latin name, for example 'officinalis' refers to the plant having been sold in apothecary shops for medicinal use as in *Calendula officinalis*, marigold; *Salvia officinalis*, sage and *Rosemarinus officinalis*, rosemary.

Sativus means 'cultivated' as in *Allium sativum*, garlic, and *Raphanus sativus*, radish. *Tinctorum* or *tinctoria* refers to use as a dye plant for example *Anthemis tinctoria*, dyer's camomile.

Many of our commonly used culinary herbs, such as Rosemary, Thyme and Sage originate from the Mediterranean region; the plants producing their volatile oils to protect themselves from the hot dry summers.

English herbs or 'potherbs' traditionally used in cooking may have been Lovage, *Levisticum officinale*; Turnip leaves, or Good King Henry *Chenopodium bonus-henricus* or indeed any green leafy vegetable available at the time.

HELP AT HAND FOR DISADVANTAGED CHILDREN

Have you ever wondered what would be the best way to help children who are living in difficult circumstances? Most of you reading this lead comfortable lives, but there are hundreds of children across Somerset growing up in families who are struggling to cope, due to unemployment and a wide range of personal problems.

Research shows that providing a mentor for a young person from a disadvantaged background can make a significant difference. **PROMISEworks** is a Somerset charity which recruits, trains, matches and supports local volunteer mentors, each of whom then builds a close, long-term relationship with a disadvantaged youngster.

When asked about their own experiences, the responses of the young people have been heart-warming: "She takes the stone from my heart", and "Mentors are like pillars. If they weren't there the roof would fall in".

We have more than 60 mentors already operating in Somerset and are looking to double this number over the next year or so. Many of the children and young people we support are on the edge of, or have recently left, the care system.

PROMISEworks is keen to find more people to volunteer as mentors, and to raise funds to support our work. If you could help with either of these, please visit our website at www.promiseworks.org.uk. Thankyou, **Michael Fox**
