

Dear Parishioner,

Your Parish Council is developing a Parish Plan, the purpose of which is to determine the wishes and needs of the people living within the parish and thereafter to attempt to develop facilities and/or services to meet those needs, or should it be necessary, take steps to prevent what might be determined as undesirable developments.

Our resources are controlled by the extent of the precept that the Council draws from parishioners' Council Tax, and the determination of what happens in our Parish, County and Region is increasingly falling to 'Local' decision making. Decisions to improve facilities or services will, of course, have implications for the budgets of Local Authorities and the Parish Council and hence the level of precept the Parish Council requests.

Whilst our influence with the other local authorities in the region is increasing, it will be far more effective if our needs are backed up by suitable evidence of the wishes of the people living in the parish. So please make your views known and help us to develop a plan by filling in this questionnaire by 31st January 2014, which we will collect from you over the weekend of 1st and 2nd February 2014.

Thank you.

M.G. Slater

Chairman, East Chinnock Parish Council

p.s.

Following the return and analysis of this questionnaire there will be an open meeting for the village to attend and receive the results.

Look out for the date being announced in the 'Chinnock Chimes'.
